

LOVED YOU FIRST (final)

Jordyn Osburn

Intro C /// F /// Dm /// G /// (2x)

Verse 1

You hear behind these words, You see inside these eyes
When I'm longing to be known, You tell me, You're where I abide
And You feel my every hurt, You hold my every tear
When I'm longing to be held, You say, "I'm already here"

Chorus 1

I'm here, and I loved you first
I'm here, and I love you still
I'm here, and I'm going nowhere
I'm here, and I'll hold you no matter what

Instrumental C /// F /// Dm /// G ///

Oh....

Verse 3

There's no shame in this place even in my mistakes
There's no holding regret 'cause we're not finished yet
You're leading me along, we've got a lifetime to write this song
You're molding me Your way by amazing grace, You say

Chorus 1

Chorus 2

... 'cause I loved you first
I'm here, and I love you still
I'm here, and I'm going nowhere
I'm here, and I'll hold you no matter what

Bridge

No matter how long it takes I'll carry you through this place
My love isn't tired, my fire doesn't fade
This passion pursues, I'm still jealous for you
I know what I know and I chose you
