Intro C // // C/B // // Am // // F // //

Interlude 2x

Verse 1

**There's nowhere to go and there's nowhere to hide
No escaping myself, I've tried
I could paste on a smile or get lost in a screen
But these unresolved pains aren't gone, just unseen
I can't talk myself out of this hurt, I can't figure out how to be free
I'm leaning on a shower wall and heaving out a wordless call
And You, You reach for me**

Interlude 2x

Verse 2

**I don't have answers to questions unformed
In this swirl of offense and shame
And I'm tripping on lies, making friends with my wounds
Strength I once knew feels so far away
But You're not rolling your eyes, and I'm not wasting Your time
You're not kicking me when I'm down, You're offering solid ground
And wrapping Your hand in mine**

Interlude 8x

Chorus (4x)

No one can do what You do

Verse 3 (2x)

**Your fathering voice lifts my head and You stand me up again
Your touch is firm and tender, and now I remember what love is**

Chorus (4x)

Interlude 4x Big, 2x Chill

Bridge (4x)

**The Lord of all, the King of Kings
Has made a place for me at the Mercy Seat**

Chorus over Bridge
